

**SCOPIC CLAUSE****1. General**

This SCOPIC clause is supplementary to any Lloyd's Form Salvage Agreement "No Cure - No Pay" ("Main Agreement") which incorporates the provisions of Article 14 of the International Convention on Salvage 1989 ("Article 14"). The definitions in the Main Agreement are incorporated into this SCOPIC clause. If the SCOPIC clause is inconsistent with any provisions of the Main Agreement or inconsistent with the law applicable hereto, the SCOPIC clause, once invoked under sub-clause 2 hereof, shall override such other provisions to the extent necessary to give business efficacy to the agreement. Subject to the provisions of sub-clause 4 hereof, the method of assessing Special Compensation under Convention Article 14(1) to 14(4) inclusive shall be substituted by the method of assessment set out hereinafter. If this SCOPIC clause has been incorporated into the Main Agreement the Contractor may make no claim pursuant to Article 14 except in the circumstances described in sub-clause 4 hereof. For the purposes of liens and time limits the services hereunder will be treated in the same manner as salvage.

**2. Invoking the SCOPIC Clause**

The Contractor shall have the option to invoke by written notice to the owners of the vessel the SCOPIC clause set out hereafter at any time of his choosing regardless of the circumstances and, in particular, regardless of whether or not there is a "threat of damage to the environment". The assessment of SCOPIC remuneration shall commence from the time the written notice is given to the owners of the vessel and services rendered before the said written notice shall not be remunerated under this SCOPIC clause at all but in accordance with Convention Article 13 as incorporated into the Main Agreement ("Article 13").

**3. Security for SCOPIC Remuneration**

- (i) The owners of the vessel shall provide to the Contractor within 2 working days (excluding Saturdays and Sundays and holidays usually observed at Lloyd's) after receiving written notice from the contractor invoking the SCOPIC clause, a bank guarantee or P&I Club letter (hereinafter called "the Initial Security") in a form reasonably satisfactory to the Contractor providing security for his claim for SCOPIC remuneration in the sum of US\$3 million, inclusive of interest and costs.
- (ii) If, at any time after the provision of the Initial Security the owners of the vessel reasonably assess the SCOPIC remuneration plus interest and costs due hereunder to be less than the security in place, the owners of the vessel shall be entitled to require the Contractor to reduce the security to a reasonable sum and the Contractor shall be obliged to do so once a reasonable sum has been agreed.
- (iii) If at any time after the provision of the Initial Security the Contractor reasonably assesses the SCOPIC remuneration plus interest and costs due hereunder to be greater than the security in place, the Contractor shall be entitled to require the owners of the vessel to increase the security (hereinafter called "the Increased Security") to a reasonable sum and the owners of the vessel shall be obliged to do so once a reasonable sum has been agreed.
- (iv) In the absence of agreement, any dispute concerning the proposed Guarantor, the form of the security or the amount of any reduction or increase in the security in place shall be resolved by the Arbitrator.

**4. Withdrawal and Termination by the Contractor**

- (i) If the owners of the vessel do not provide the Initial Security within the said 2 working days, the Contractor, at his option, and on giving notice to the owners of the vessel, shall be entitled to withdraw from all the provisions of the SCOPIC clause and revert to his rights under the Main Agreement including Article 14 which shall apply as if the SCOPIC clause had not existed. PROVIDED THAT this right of withdrawal may only be exercised if, at the time of giving the said notice of withdrawal the owners of the vessel have still not provided the Initial Security or any alternative security which the owners of the vessel and the Contractor may agree will be sufficient.
- (ii) If the owners of the vessel do not provide the Increased Security within 2 working days of the date upon which the reasonable sum for such Increased Security has been agreed between the Contractor and the owners of the vessel or has otherwise been determined by the Arbitrator, the Contractor, at his option, and on giving notice to the owners of the vessel, shall be entitled to terminate the services under both the SCOPIC clause and the Main Agreement. The Contractor will in that event be entitled to payment of all SCOPIC remuneration due up to and including the date of such termination. The assessment of SCOPIC remuneration shall take into account all monies due under the tariff rates set out in Appendix A hereof including a reasonable time for demobilisation after the date of such termination.

**5. Tariff Rates**

- (i) SCOPIC remuneration shall mean the total of the tariff rates of personnel; tugs and other craft; portable salvage equipment; out of pocket expenses; and bonus due.
- (ii) SCOPIC remuneration in respect of all personnel; tugs and other craft; and portable salvage equipment shall be assessed on a time and materials basis in accordance with the Tariff set out in Appendix "A". This tariff will apply until reviewed and amended by the SCOPIC Committee in accordance with Appendix B(1)(b). The tariff rates which will be used to calculate SCOPIC remuneration are those in force at the time the salvage services take place.
- (iii) "Out of pocket" expenses shall mean all those monies reasonably paid by or for and on behalf of the Contractor to any third party and in particular includes the hire of men, tugs, other craft and equipment used and other expenses reasonably necessary for the operation. They will be agreed at cost, PROVIDED THAT:
  - (a) If the expenses relate to the hire of men, tugs, other craft and equipment from another ISU member or their affiliate(s), the amount due will be calculated on the tariff rates set out in Appendix "A" regardless of the actual cost.
  - (b) If men, tugs, other craft and equipment are hired from any party who is not an ISU member and the hire rate is greater than the tariff rates referred to in Appendix "A" the actual cost will be allowed in full, subject to the Special Casualty Representative ("SCR") being satisfied that in the particular circumstances of the case, it was reasonable for the Contractor to hire such items at that cost. If an SCR is not appointed or if there is a dispute, then the Arbitrator shall decide whether the expense was reasonable in all in the circumstances.
  - (c) Any out of pocket expense incurred during the course of the service in a currency other than US dollars shall for the purpose of the SCOPIC clause be converted to US dollars at the rate prevailing at the termination of the services.
- (iv) In addition to the rates set out above and any out of pocket expenses, the Contractor shall be entitled to a standard bonus of 25% of those rates except that if the out of pocket expenses described in sub-paragraph 5(iii)(b) exceed the applicable tariff rates in Appendix "A" the Contractor shall be entitled to a bonus such that he shall receive in total
  - (a) The actual cost of such men, tugs, other craft and equipment plus 10% of the cost, or
  - (b) The tariff rate for such men, tugs, other craft and equipment plus 25% of the tariff rate whichever is the greater.

**6. Article 13 Award**

- (i) The salvage services under the Main Agreement shall continue to be assessed in accordance with Article 13, even if the Contractor has invoked the SCOPIC clause. SCOPIC remuneration as assessed under sub-clause 5 above will be payable only by the owners of the vessel and only to the extent that it exceeds the total Article 13 Award (or, if none, any potential Article 13 Award) payable by all salvaged interests (including cargo, bunkers, lubricating oil and stores) before currency adjustment and before interest and costs even if the Article 13 Award or any part of it is not recovered.
- (ii) In the event of the Article 13 Award or settlement being in a currency other than United States dollars it shall, for the purposes of the SCOPIC clause, be exchanged at the rate of exchange prevailing at the termination of the services under the Main Agreement.
- (iii) The salvage Award under Article 13 shall not be diminished by reason of the exception to the principle of "No Cure - No Pay" in the form of SCOPIC remuneration.

**7. Discount**

If the SCOPIC clause is invoked under sub-clause 2 hereof and the Article 13 Award or settlement (before currency adjustment and before interest and costs) under the Main Agreement is greater than the assessed SCOPIC remuneration then, notwithstanding the actual date on which the SCOPIC remuneration provisions were invoked, the said Article 13 Award or settlement shall be discounted by 25% of the difference between the said Article 13 Award or settlement and the amount of SCOPIC remuneration that would have been assessed had the SCOPIC remuneration provisions been invoked on the first day of the services.

**8. Payment of SCOPIC Remuneration**

- (i) The date for payment of any SCOPIC remuneration which may be due hereunder will vary according to the circumstances.
  - (a) If there is no potential salvage award within the meaning of Article 13 as incorporated into the Main Agreement then, subject to Appendix B(5)(c)(iv), the undisputed amount of SCOPIC remuneration due hereunder will be paid by the owners of the vessel within 1 month of the presentation of the claim. Interest on sums due will accrue from the date of termination of the services until the date of payment at the US prime rate plus 1%.
  - (b) If there is a claim for an Article 13 salvage award as well as a claim for SCOPIC remuneration, subject to Appendix B(5)(c)(iv), 75% of the amount by which the assessed SCOPIC remuneration exceeds the total Article 13 security demanded from ship and cargo will be paid by the owners of the vessel within 1 month and any undisputed balance paid when the Article 13 salvage award has been assessed and falls due. Interest will accrue from the date of termination of the services until the date of payment at the US prime rate plus 1%.
- (ii) The Contractor hereby agrees to give an indemnity in a form acceptable to the owners of the vessel in respect of any overpayment in the event that the SCOPIC remuneration due ultimately proves to be less than the sum paid on account.

**9. Termination**

- (i) The owners of the vessel may at any time terminate the obligation to pay SCOPIC remuneration after the SCOPIC clause has been invoked under sub-clause 2 hereof provided that the Contractor shall be entitled to at least 5 clear days' notice of such termination. In the event of such termination the assessment of SCOPIC remuneration shall take into account all monies due under the tariff rates set out in Appendix A hereof including time for demobilisation to the extent that such time did reasonably exceed the 5 days' notice of termination.
- (ii) The termination provisions contained in Clause 4(ii) and sub-clause 9(i) above shall only apply if the Contractor is not prevented from demobilising his equipment by Government, Local or Port Authorities or any other officially recognised body having jurisdiction over the area where the services are being rendered.

**10. Duties of Contractor**

The duties and liabilities of the Contractor shall remain the same as under the Main Agreement, namely to use his best endeavours to salvage the vessel and property thereon and in so doing to prevent or minimise damage to the environment.

**11. Article 18 – 1989 Salvage Convention**

The Contractor may be deprived of the whole or part of the payment due under the SCOPIC clause to the extent that the salvage operations thereunder have become necessary or more difficult or more prolonged or the salvaged fund has been reduced or extinguished because of fault or neglect on its part or if the Contractor has been guilty of fraud or other dishonest conduct.

**12. Special Casualty Representative ("SCR")**

Once this SCOPIC clause has been invoked in accordance with sub-clause 2 hereof the owners of the vessel may at their sole option appoint an SCR to attend the salvage operation in accordance with the terms and conditions set out in Appendix B. Any SCR so appointed shall not be called upon by any of the parties hereto to give evidence relating to non-salvage issues.

**13. Special Representatives**

At any time after the SCOPIC clause has been invoked the Hull and Machinery underwriter (or, if more than one, the lead underwriter) and one owner or underwriter of all or part of any cargo on board the vessel may each appoint one special representative (hereinafter called respectively the "Special Hull Representative" and the "Special Cargo Representative" and collectively called the "Special Representatives") at the sole expense of the appointor to attend the casualty to observe and report upon the salvage operation on the terms and conditions set out in Appendix C hereof. Such Special Representatives shall be technical men and not practising lawyers.

**14. Pollution Prevention**

The assessment of SCOPIC remuneration shall include the prevention of pollution as well as the removal of pollution in the immediate vicinity of the vessel insofar as this is necessary for the proper execution of the salvage but not otherwise.

**15. General Average**

SCOPIC remuneration shall not be a General Average expense to the extent that it exceeds the Article 13 Award; any liability to pay such SCOPIC remuneration shall be that of the Shipowner alone and no claim whether direct, indirect, by way of indemnity or recourse or otherwise relating to SCOPIC remuneration in excess of the Article 13 Award shall be made in General Average or under the vessel's Hull and Machinery Policy by the owners of the vessel.

- 16. Any dispute arising out of this SCOPIC clause or the operations thereunder shall be referred to Arbitration as provided for under the Main Agreement.
