In the event of a conflict of terms and conditions, the provisions of PART I and any additional clauses, if agreed, shall prevail over those of PART II and Annex A to the extent of such conflict but no further.

Signature (Hirer)
1. Definitions
   “Tugowner” means the party stated in Box 2.
   “Hirer” means the party stated in Box 3.
   “Tug” means the vessel or vessels as described in Boxes 13 to 16.
   “Tow” means one or more vessels or objects of whatsoever nature including anything carried thereon as described in Boxes 4 to 12.
   “Voyage” means the voyage described in Boxes 23 and 25.

2. Basis of the Agreement
   The Tugowner agrees to render the service(s) to the Tow as set out in Box 22.

3. Price and Conditions of Payment
   (a) The Hirer shall pay the Tugowner the amount of hire set out in Box 33 per day or pro rata for part of a day (hereinafter called the “Tug’s Daily Rate of Hire”) from the time stated in Box 36 until the time stated in Box 37.

   (b) The Tug’s Daily Rate of Hire shall be payable in advance as set out in Box 33 all hire due hereunder shall be fully and irrevocably earned and non-returnable on a daily basis.

   (i) In the event of the Tug being lost, hire shall cease as of the date of the loss. If the date of the loss cannot be ascertained, then, in addition to any other sums which may be due, half the rate of hire shall be paid, calculated from the date the Tug was last reported until the calculated arrival of the Tug at her destination provided such period does not exceed 14 days.

   (ii) In the event of part of the Tow being lost, hire shall continue until the Tug arrives at its destination. In the event of the Tow being lost, hire shall continue until the Tug arrives at its destination or such nearer place, at the Tugowner’s discretion, provided such period does not exceed 14 days.

   (c) Within 14 days of the termination of the services hereunder by the Tugowner, the Tugowner will if necessary adjust in conformance with the terms of this Agreement hire paid in advance. Any hire paid by the Hirer but not earned under this Agreement and which is refundable thereunder shall be refunded to the Hirer within 14 days of receipt of the Tugowner’s adjustment of hire.

   (d) If agreed, the Hirer shall pay the sum set out in Box 31 by way of a mobilisation charge. This sum shall be paid on or before the commencement of the Tug’s voyage to the place of departure, and shall be non-returnable, Tug and/or Tow lost or not lost.

   (e) If agreed, the Hirer shall pay the sum set out in Box 32 by way of a demobilisation charge. This amount shall be paid Tow lost or not lost, on or before the termination by the Tugowner of his services under this Agreement.

   (f) The Hire and any other sums due and payable to the Tugowner under this Agreement (or any part thereof) shall be paid without any discount, deduction, set-off, lien, claim or counterclaim.

   (g) All payments by the Hirer shall be made in the currency and to the bank account specified in Box 34.

   *Sub-clauses (d) and (e) are optional and shall only apply if agreed and stated in Box 31 and 32.

4. *Bunkers
   (a) Daily Rate of Hire including Bunkers - Bunker Price Adjustment

   (i) In the event that the Daily Rate of Hire includes the cost of bunkers then this Agreement is concluded on the basis of the price per metric tonne of bunker oil stated in Box 41.

   (ii) If the price actually paid by the Tugowner for bunker oil consumed during the Voyage should be higher, the difference shall be paid by the Hirer to the Tugowners.

   (iii) If the price actually paid by the Tugowner for bunker oil consumed during the Voyage should be lower, the difference shall be paid by the Tugowner to the Hirer.

   (iv) The log book of the Tug and copies of the bunker supplier’s invoices shall be conclusive evidence of the
PART II
TOWHIRE 2008 (Daily Rate)

quantity of bunkers consumed and the prices actually paid.

(b) *Daily Rate of Hire excluding Bunkers
(i) In the event that the Daily Rate of Hire excludes the cost of bunkers then the Hirer shall pay to the 47
Tugowner the cost of the bunkers and lubricants consumed by the Tug in fulfilling the terms of this 48
Agreement.

(ii) The Tug shall be delivered with sufficient bunkers and lubricants on board for the tow to the first bunkering 52
port (if any) or destination and be re-delivered with not less than sufficient bunkers to reach the nearest 53
bunkering port en route to the Tug’s next port of call.

(iii) The Hirer upon delivery and the Tugowner upon re-delivery shall pay for the bunkers and lubricants on 55
board at the current contract price at the time at the port of delivery and re-delivery or at the nearest 56
bunkering port.

(c) Bunker Quality
(i) If the Hirer supplies fuel it shall be of the specifications and grades stated in Box 41. The fuels shall 58
be of a stable and homogeneous nature and unless otherwise agreed in writing, shall comply with ISO 59
standard 8217:1996 or any subsequent amendments thereof as well as with the relevant provisions of 60
MARPOL.
(ii) The Chief Engineer shall co-operate with the Hirer’s bunkering agents and fuel suppliers and comply with 63
their requirements during bunkering, including but not limited to checking, verifying and acknowledging 64
sampling, reading or soundings, meters etc. before, during and/or after delivery of fuels. During delivery 65
four representative samples of all fuels shall be taken at a point as close as possible to the Tug’s bunker 66
manifold. The samples shall be labelled and sealed and signed by suppliers, Chief Engineer and the 67
Hirer or their agents. Two samples shall be retained by the suppliers and one each by the Tug and the 68
Hirer. If any claim should arise in respect of the quality or specification or grades of the fuels supplied, the 69
samples of the fuels retained as aforesaid shall be analysed at an independent laboratory by a qualified 70
analyst.

*sub-clauses (a) and (b) are options. State agreed option in Box 41. If no option stated then sub-clause (b) 72
shall apply.

5. Extension to Cancelling Date
(a) Should the Tug not be ready to commence the towage at the latest at midnight on the date indicated in 74
Box 38, the Hirer shall have the option of cancelling this Agreement and shall be entitled to claim damages 75
detention if due to the wilful default of the Tugowner.

(b) Should the Tugowner anticipate that the Tug will not be ready, he shall notify the Hirer thereof without 78
delay stating the expected date of the Tug’s readiness and ask whether the Hirer will exercise his option to 79
cancel. Such option to cancel must be exercised within forty-eight (48) hours after the receipt of the Tugowner’s 80
notice, otherwise the third day after the date stated in the Tugowner’s notice shall be deemed to be the new 81
agreed date to commence the towage in accordance with this Agreement.

6. Ice Clause for Tug and Tow
(a) The Tug shall not be obliged to force ice, but subject to the Tugowner’s prior approval having regard to 83
its size, construction and class, it may follow ice-breakers.

(b) The Tug shall not be required to enter or remain in any ice bound port or area, nor any port or area where 86
lights, lightships, markers or buoys have been, or are about to be withdrawn by reason of ice, nor where on 87
account of ice there is, in the Tugmaster’s sole discretion, a risk that, in the ordinary course of events, the 88
Tug will not be able to safely enter the place of departure to connect to the Tow, or depart from the place of 89
departure with the Tow. In addition, if, on account of ice, the Tugmaster in his sole discretion considers it 90
unsafe to proceed to, or to enter, the place of destination for fear of the Tug and/or Tow being frozen in and/or 91
damaged, he shall be at liberty to proceed to the nearest ice free port or safe place and there await the 92
Hirer’s instructions.

(c) Any delay, deviation or additional expenses arising out of or in connection with the performance of 94
this Agreement caused by or resulting from ice shall be for the Hirer’s account and the Tug shall remain on 95
Hire.

(ii) All taxes, (other than those normally payable by the Tugowner in the country where he has his principal place of business and in the country where the Tug is registered) stamp duties or other levies payable in respect of or in connection with this Agreement or payments of hire or other sums payable under this Agreement or services to be performed under or in pursuance of this Agreement, any Customs or Excise duties and any costs, dues or expenses payable in respect of any necessary permits or licences.

(iii) The cost of the services of any assisting tugs when deemed necessary by the Tugmaster or prescribed by Port or other Authorities.

(iv) All costs and expenses necessary for the preparation of the Tow for towing (including such costs or expenses as those of raising the anchor of the Tow or tending or casting off any moorings of the Tow).

(v) The cost of insurance of the Tow.

(c) All taxes, charges, costs, and expenses payable by the Hirer shall be paid by the Hirer direct to those entitled to them. If, however, any such tax, charge, cost or expense is in fact paid by or on behalf of the Tugowner (notwithstanding that the Tugowner shall under no circumstances be under any obligation to make such payments on behalf of the Hirer) the Hirer shall reimburse the Tugowner on the basis of the actual cost to the Tugowner upon presentation of invoice.

8. War Risk Escalation Clause

The rate of hire is based and assessed on all war risk insurance costs applicable to the Tugowner in respect of the contemplated voyage in effect on the date of this Agreement. In the event of any subsequent increase or decrease in the actual costs, the Hirer or the Tugowner, as the case may be, shall reimburse to the other the amount of any increase or decrease in such war risk insurance costs.

9. Interest

10. *Financial Security

The Hirer undertakes to provide, if required by the Tugowner, security to the satisfaction of the Tugowner in the form and in the sum, at the place and at the time indicated in Box 40 as a guarantee for due performance of the Agreement. Such security shall be returned to the guarantor when the Hirer’s financial obligations under this Agreement have been met in full.

(*Optional, only applicable if Box 40 filled in).

11. Place of Departure

(a) The Tow shall be tendered to the Tugowner at the Place of Departure stated in Box 23.

(b) The place of connection and departure shall always be safe and accessible for the Tug to enter, to operate in and for the Tug and Tow to leave and shall be a place where such Tug is permitted to commence the towage in accordance with any local or other rules, requirements or regulations and shall always be subject to the approval of the Tugowner which shall not be unreasonably withheld.
12. Place of Destination  
(a) The Tow shall be accepted and taken over by the Hirer immediately upon arrival at the Place of Destination stated in Box 25.

(b) The place of disconnection shall always be safe and accessible for the Tug and Tow to enter, to operate in, and for the Tug to leave and shall be a place where such Tug is permitted to redeliver the Tow in accordance with any local or other rules, regulations and shall always be subject to the approval of the Tugowner, which shall not be unreasonably withheld.

13. Riding crew  
(a) Riding crew for the Tow, if so requested by the Hirer, shall be provided by the party stated in Box 29. The number of riding crew shall be as stated in Box 29. All costs and expenses for such personnel will be for the account of the Hirer and such personnel shall be at all times under the orders of the Tugmaster. If the riding crew are provided by the Tugowner the Hirer shall pay to the Tugowner the amount per man per day stated in Box 30. If the riding crew are provided by the Hirer they shall not be deemed to be the servants or agents of the Tugowner. Permission for the Hirer to provide a riding crew on the Tow as well as the composition and suitability of the riding crew shall always be in the discretion of the Tugowner.

(b) It shall be the Hirer’s responsibility to provide the riding crew with suitable accommodation, food, fresh water, life saving appliances and all other requirements as necessary to comply with the laws and regulations of the Flag of the Tug and/or Tow and of the States through the territorial waters of which the Tug will pass or enter. It is a requirement that the members of the riding crew shall be able to speak and understand a language which is mutual to the Tug and Tow.

(c) In the event that the Tugowner provides a riding crew for the Tow for its own purposes, all costs and expenses for such personnel shall be for the account of the Tugowner.

14. Towing Gear and Use of Tow’s Gear  
(a) The Tugowner agrees to provide free of cost to the Hirer the use of all tow wires, bridles and other towing gear carried on board the Tug for the purpose of the towage or other services to be provided under this Agreement. The Tow shall be connected up in a manner within the discretion of the Tugmaster.

(b) The Tugowner may make reasonable use at his discretion of the Tow’s gear, power, anchors, anchor cables, radio, communication and navigational equipment and all other appurtenances free of cost during and for the purposes of the towage or other services to be provided under this Agreement.

(c) The Hirer shall pay for the replacement of any towing gear and accessories should such equipment become lost, damaged or unserviceable during the service(s), other than as a result of the Tugowners’ negligence.

15. Permits and Certification  
(a) The Hirer shall arrange at his own cost and provide to the Tugowner all necessary licences, authorisations and permits required by the Tug and Tow to undertake and complete the contractual voyage together with all necessary certification for the Tow to enter or leave all or any ports of call or refuge on the contemplated voyage.

(b) Any loss or expense incurred by the Tugowner by reason of the Hirer’s failure to comply with this Clause shall be reimbursed by the Hirer to the Tugowner and during any delay caused thereby the Tug shall remain on hire.

16. Tow-worthiness of the Tow

(b) The Hirer undertakes that the Tow will be suitably trimmed and prepared and ready to be towed at the time when the Tug arrives at the place of departure and fitted and equipped with such shapes, signals, navigational and other lights of a type required for the towage.

(c) The Hirer shall supply to the Tugowner or the Tugmaster, on the arrival of the Tug at the place of departure a certificate of tow-worthiness for the Tow issued by a recognised firm of Marine Surveyors or Survey Organisation, provided always that the Tugowner shall not be under any obligation to perform the
PART II
TOWHIRE 2008 (Daily Rate)

towage until in his discretion he is satisfied that the Tow is in all respects trimmed, prepared, fit and ready for towage but the Tugowner shall not unreasonably withhold his approval.

(d) No inspection of the Tow by the Tugowner shall constitute approval of the Tow's condition or be deemed a waiver of the foregoing undertakings given by the Hirer.

17. Seaworthiness of the Tug
The Tugowner will exercise due diligence to tender the Tug at the place of departure in a seaworthy condition and in all respects ready to perform the towage, but the Tugowner gives no other warranties, express or implied.

18. Substitution of Tugs
The Tugowner shall at all times have the right to substitute any tug or tugs for any other tug or tugs of adequate power (including two or more tugs for one, or one tug for two or more) at any time whether before or after the commencement of the towage or other services and shall be at liberty to employ a tug or tugs belonging to other tugowners for the whole or part of the towage or other service contemplated under this Agreement. Provided however, that the main particulars of the substituted tug or tugs shall be subject to the Hirer’s prior approval, but such approval shall not be unreasonably withheld.

19. Salvage
(a) Should the Tow break away from the Tug during the course of the towage service, the Tug shall render all reasonable services to re-connect the towline and fulfil this Agreement without making any claim for salvage.

(b) If at any time the Tugowner or the Tugmaster considers it necessary or advisable to engage salvage services from any vessel or person on behalf of the Tug or Tow, or both, the Hirer hereby undertakes and warrants that the Tugowner or his duly authorised servant or agent, including the Tugmaster, have the full actual authority of the Hirer to accept such services on behalf of the Tow on any reasonable terms. Where circumstances permit the Tugowner shall consult with the Hirer on the need for salvage services for the Tow.

20. Termination by the Hirer
(a) At any time prior to the departure of the Tow from the place of departure the Hirer may terminate this Agreement upon payment of the termination fee set out in Box 42. If termination takes place whilst the Tug is en route to the place of departure or after the Tug has arrived at or off the place of departure then in addition to the said termination fee the Hirer shall pay any additional amounts due under this Agreement.

(b) In the event that the towage operation is terminated after departure from the place of departure, but before the Tow arrives at the place of destination without fault on the part of the Tugowner, his servants or agents, the Tugowner shall be entitled to be paid, and if already paid to retain, all sums payable according to Box 33 and any other amounts due under this Agreement. The above amounts are in addition to any damages the Tugowner may be entitled to claim for breach of this Agreement.

21. Termination by the Tugowner
(a) The Tugowner may without prejudice to any other remedies he may have, withdraw from and terminate this Agreement and leave the Tow in a place where the Hirer may take repossession of it and be entitled to payment of cancellation fee or hire, whichever is the greater, and all other payments due under this Agreement, upon any one or more of the following grounds:

(i) If there is any delay or delays (other than delay caused by the Tug) at the place of departure exceeding in aggregate fourteen (14) days.

(ii) If there is any delay or delays (other than a delay caused by the Tug) at any port or place of call or refuge exceeding in aggregate fourteen (14) days.

(iii) If the financial security as may be required according to Box 40 is not given within seven (7) running days of the Tugowner’s request to provide security.

(iv) If the Hirer has not accepted the Tow within seven (7) running days of arrival at the place of destination.

(v) If any amount payable under this Agreement has not been paid within seven (7) running days of the date such sums are due.
PART II
TOWHIRE 2008 (Daily Rate)

(b) Before exercising his option of withdrawing from this Agreement as aforesaid, the Tugowner shall give the Hirer 48 hours’ notice of his intention so to withdraw.

22. Necessary Deviation
(a) If the Tug during the course of the towage or other service under this Agreement puts into a port or place or seeks shelter or is detained or deviates from the original route as set out in Box 26 because either the Tugowner or Tugmaster reasonably consider

(i) that the Tow is not fit to be towed; or

(ii) the towing connection requires rearrangement; or

(iii) repairs or alterations to or additional equipment for the Tow are required to safeguard the venture and enable the Tow to be towed to destination; or

(iv) it would not be prudent to do otherwise on account of weather conditions actual or forecast; or

because of any other good and valid reason outside the control of the Tugowner or Tugmaster, or because of any delay caused by or at the request of the Hirer, this Agreement shall remain in full force and effect.

(b) The Tug shall at all times be at liberty to go to the assistance of any vessel in distress for the purpose of saving life or property or to call at any port or place for bunkers, repairs, supplies, or any other necessaries or to land disabled seamen, but if towing the Tug shall leave the Tow in a safe place and during such period this Agreement shall remain in full force and effect, including the provisions of Clause 7(b)(i), but any period so spent by the Tug in fulfilling or attempting to fulfil the purposes permitted by this sub-paragraph other than for normal replenishment of bunkers or fresh water or supplies shall not entitle the Tugowner to recover from the Hirer the Daily Rate of Hire for the said period.

(c) Any deviation howsoever or whatsoever by the Tug or by the Tugowner not expressly permitted by the terms and conditions of this Agreement shall not amount to a repudiation of this Agreement and the Agreement shall remain in full force and effect, save that no hire shall be paid for the period of such deviation, and shall be without prejudice to any other remedies which the Hirer may have against the Tugowner.

23. Liability and Indemnity
(a)

(i) The Tugowner will indemnify the Hirer in respect of any liability adjudged due or claim reasonably compromised arising out of injury or death of any of the following persons, occurring during the towage or other service hereunder, from arrival of the Tug at the pilot station or customary waiting place or anchorage at the Place of Departure (whichever is sooner), until disconnection at the Place of Destination, however such geographic and/or time limits shall not apply to sub-clause 25(a)(i)(2) below:

(1) The Master and members of the crew of the Tug and any other servant or agent of the Tugowner;

(2) The members of the riding crew provided by the Tugowner or any other person whom the Tugowner provides on board the Tow;

(3) Any other person on board the Tow who is not a servant or agent of the Hirer or otherwise on board on behalf of or at the request of the Hirer.

(ii) The Hirer will indemnify the Tugowner in respect of any liability adjudged due or claim reasonably compromised arising out of injury or death occurring during the towage or other service hereunder of any of the following persons:

(1) The Master and members of the crew of the Tow and any other servant or agent of the Hirer;

(2) Any other person on board the Tow for whatever purpose except the members of the riding crew or any other persons whom the Tugowner provides on board the Tow pursuant to their obligations under this Agreement.
PART II
TOWHIRE 2008 (Daily Rate)

4. Any liability in respect of wreck removal or in respect of the expense of moving or lighting or buoying the Tug or in respect of preventing or abating pollution originating from the Tug.

The Tugowner shall not in any circumstances be liable for any loss or damage suffered by the Hirer or caused to or sustained by the Tow in consequence of loss or damage howsoever caused to or sustained by the Tow or any property on board the Tow.

(ii) The following shall be for the sole account of the Hirer without any recourse to the Tugowner, his servants or agents, whether or not the same is due to any breach of contract (including as to the seaworthiness of the Tug), negligence or any other fault on the part of the Tugowner, his servants or agents:

2. Loss or damage of whatsoever nature caused to or suffered by third parties or their property by reason of contact with the Tow or obstruction created by the presence of the Tow.

3. Loss or damage of whatsoever nature suffered by the Hirer or by third parties in consequence of the loss or damage referred to in (1) and (2) above.

4. Any liability in respect of wreck removal or in respect of the expense of moving or lighting or buoying the Tow or in respect of preventing or abating pollution originating from the Tow.

The Hirer will indemnify the Tugowner in respect of any liability adjudged due to a third party or any claim by a third party reasonably compromised arising out of any such loss or damage suffered by the Tugowner or caused to or sustained by the Tow in consequence of loss or damage howsoever caused to or sustained by the Tow or any property on board the Tow.

(c) Except for the provisions of Clauses 15, (Permits & Certification); 16, (Tow-worthiness of the Tow); 17, (Seaworthiness of the Tug); 20 (Termination by the Hirer) and 21 (Termination by the Tugowner), the Tugowner nor the Hirer shall be liable to the other party for

(i) any loss of profit, loss of use or, loss of production whatsoever and whether arising directly or indirectly from the performance or non performance of this Agreement, and whether or not the same is due to negligence or any other fault on the part of either party, their servants or agents, or

(ii) any consequential loss or damage for any reason whatsoever, whether or not the same is due to any breach of contract, negligence or any other fault on the part of either party, their servants or agents.

(i) “War Risks” shall include any actual, threatened or reported:
war; act of war; civil war; hostilities; revolution; rebellion; civil commotions; warlike operations; laying of
mines; acts of piracy; acts of terrorists; acts of hostility or malicious damage; blockades (whether imposed

Tugowners, may be dangerous or are likely to be or to become dangerous to the Tug, her Tow, crew or

(ii) “Other Risks” shall include any actual, threatened or reported:

of call or refuge or to reach or attempt to reach or enter the port or place of destination of the Tow and
deviate the Tow and leave again, all of which safely and without unreasonable delay, the Tug may
leave the Tow or any part thereof at the place of departure or any other port or place where the Hirer
may take repossess and this shall be deemed a due fulfilment by the Tugowner of this Agreement
and any outstanding sums and all other costs of delivery at such place and any storage costs incurred
by the Tugowner shall thereupon become due and payable by the Hirer.

(b) The Tug, unless prior written consent of the Tugowners has first been obtained, shall not be required
to continue to or through any port, place, area or zone (whether of land or sea), or any waterway or canal,
where it appears that the Tug, her Tow, the crew or other persons on board the Tug or Tow, in the reasonable
judgement of the Master and/or the Tugowners, may be, or are likely to be, exposed to War or Other Risks.
Should the Tug be within any such place as aforesaid, which only becomes subject to War or Other Risks,
or is likely to be or to become subject to War or Other Risks, after her entry into it, she shall be at liberty to
leave such place or area.

(c) The Tugowners may effect war risks insurance in respect of the Hull and Machinery of the Tug and their
other interests (including, but not limited to, loss of earnings and detention, the crew and their Protection

(ii) If the Underwriters of such insurance should require payment of additional premiums and/or calls because,
pursuant to the Hirers’ orders, the Tug is within, or is due to enter and remain within, or pass through
any area or areas which are specified by such Underwriters as being subject to additional premiums
because of War Risks, then the actual additional premiums and/or calls paid shall be reimbursed by the
Hirers to the Tugowners at the same time as the next payment of hire is due, or upon delivery of the
Tow, whichever occurs first.
PART II
TOWHIRE 2008 (Daily Rate)

(d) If the Tugowners become liable under the terms of employment to pay to the crew of the Tug, or any riding crew of the Tow, any War Risk related bonus or additional wages in respect of sailing into a War Risk area, then the actual War Risk related bonus or additional wages paid shall be reimbursed to the Tugowners by the Hirers at the same time as the next payment of hire is due, or upon delivery of the Tow, whichever occurs first.

(e) The Tug shall have liberty:-

(i) to comply with all orders, directions, recommendations or advice as to departure, arrival, routes, sailing in convoy, ports of call, stoppages, destinations, discharge of cargo, delivery, or in any other way whatsoever, which are given by the Government of the Nation under whose flag the Tug sails, or other Government to whose laws the Tugowners are subject, or any other Government, body or group whatsoever acting with the power to compel compliance with their orders or directions;

(ii) to comply with the orders, directions or recommendations of any war risks underwriters who have the authority to give the same under the terms of the war risks insurance;

(iii) to comply with the terms of any resolution of the Security Council of the United Nations, the effective orders of any other Supranational body which has the right to issue and give the same, and with national laws aimed at enforcing the same to which the Tugowners are subject, and to obey the orders and directions of those who are charged with their enforcement;

(iv) to call at any other port to change the crew or any part thereof or other persons on board the Tug or Tow when there is reason to believe that they may be subject to internment, imprisonment or other sanctions.

(f) If the performance of this Agreement or the voyage to the place of departure would in the ordinary course of events require the Tug and/or Tow to pass through or near to an area where after this Agreement is made there is or there appears to be danger of such area being blocked or passage through being restricted or made hazardous by the War or Other Risks then:

(i) The Tug shall not be required to pass through any blockade, whether such blockade be imposed on all vessels, or is imposed selectively in any way whatsoever against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever, or to proceed to an area where she shall be subject, or is likely to be subject to search and/or confiscation.

(ii) If the Tug has not entered such area en route to the place of departure, or having entered has become trapped therein for a period of more than fourteen (14) days, either party hereto shall be entitled to terminate this Agreement by giving notice in which event, save for liabilities already accrued, neither party shall be under any further liability to the other but the Tugowner shall not be bound to repay to the Hirer any payments already made and all amounts due shall remain payable.

(iii) If the Tug and Tow whilst en route to the place of destination have not entered such area during the course of the towage or other service the Hirer shall continue to pay the Daily Rate of Hire for every day by which the towage is prolonged by reason of waiting for such area to become clear and/or safe and/or by reason of proceeding by a longer route to avoid or pass such area in safety.

(iv) If the Tug and Tow whilst en route to the place of destination have become trapped in such area during the course of the towage or other service either party shall, after a period of fourteen (14) days from the commencement of such trapping, be entitled to terminate this Agreement by telex, cable or other written notice, in which event, save for liabilities already accrued, neither party shall be under any further liability to the other but the Tugowner shall not be bound to repay to the Hirer any payment already made and all amounts due shall remain payable.

(g) If in accordance with their rights under the foregoing provisions of this Clause, the Tugowners refuse to proceed from the place of departure or to the place of destination, or any one or more of them, they shall immediately notify the Hirers requesting them to nominate a place for redelivery of the Tow. Failing such nomination by the Hirers within 48 hours of the receipt of such notice and request, the Tugowners may redeliver the Tow at any place where the Hirer can take repossess of the Tow.

(h) If in compliance with any of the provisions of this Clause anything is done or not done, such shall not be deemed a deviation, but shall be considered as due fulfilment of this Agreement.

If either of these conditions is not complied with the claim and all rights whatsoever and howsoever shall be absolutely barred and extinguished.
